Examples of Projects Underway in the Central Coast Region

TRAFFIC CONGESTION RELIEF

- Construct 15 miles of HOV lanes on US 101 between the cities of Carpinteria and community of Montecito
- Replace traffic monitoring elements along US 101 north of SR 150 to north of Cathedral Oaks Road in Santa Barbara County
- Replace traffic monitoring elements on US 101 from north of Santa Maria Way in Santa Barbara County to the Santa Barbara/San Luis Obispo County line
- Replace traffic monitoring elements on US 101 from north of East Grand Avenue to Dinosaur Caves Park in San Luis Obispo County
- Intersection improvements to alleviate traffic congestion on Santa Monica Road, Via Real and Santa Monica north bound on and off ramp from US 101

PUBLIC TRANSPORTATION

- Increase Pacific Surfliner service to Santa Barbara from 5 to 6 round trips and to San Luis Obispo from 2 to 3 round trips with improved travel time, reliability and safety for both Metrolink and the Pacific Surfliner in the Los Angeles to San Luis Obispo corridor
- Construct Goleta Train Depot, a multi-modal transit facility with improved bus transit service and shuttles from Santa Barbara Airport and the University of California Santa Barbara
- Improvements for commuters between Ventura and Santa Barbara counties with improved bus services allowing for seamless use of both rail and transit to commute to employment centers in Goleta from Oxnard and Ventura with 5 zero-emission buses resulting in a travel time reduction of 45 minutes while providing a service extension to Oxnard
- Replace 14 buses for the Santa Barbara Metropolitan Transit District
- 5 replacement buses for City of Lompoc Transit system
- Bus replacement for Morro Bay Transit
- Replace electric trolley for San Luis Obispo Transit
- Replace 2 buses for Santa Maria Area Transit (SMAT)
- Construct a rail layover facility to support increased rail frequency to San Jose/Bay Area from San Luis Obispo
- Replace a bus for the City of Guadalupe
- Construct new Bus Maintenance Facility for San Luis Obispo Regional Transit Authority

PEDESTRIAN SAFETY

- Sidewalk improvements in Paso Robles, Pismo Beach, Guadalupe to increase pedestrian safety
- Sidewalk improvements on Wilmar Avenue and Paso Robles Street near Oceano Elementary School in San Luis Obispo County
- Safe pedestrian routes to schools in Oceano, Santa Barbara, and San Luis Obispo
- Construct nearly 3 miles of pedestrian and bike path along Las Positas and Modoc Roads in Santa Barbara County
- Construct a bicycle and pedestrian link between the communities of Templeton and Atascadero

This is a partial list of projects.
